We are seeking a dedicated and proactive Site Manager who takes pride in going above and beyond to ensure our school remains a safe, welcoming and well-maintained environment for every child and member of our community. Our small Church of England primary school is a friendly, happy place with a caring Christian ethos, where all individuals are valued, respected and nurtured.

We have strong and supportive relationships between staff, governors, parents and the wider community. As part of the Chester Diocesan Academy Trust (CDAT), we also work closely with other church schools, sharing best practice and supporting one another.

The successful candidate will:

- Take responsibility for the overall cleanliness, maintenance, safety and security of the school site
- Show initiative, reliability and a strong work ethic
- Build positive relationships with pupils, staff and visitors
- Demonstrate high standards of organisation and attention to detail
- Support the effective running of the school through flexibility and a commitment to teamwork
- Actively support our Christian vision, values and ethos

If you are someone who takes pride in creating an environment where children can flourish and who enjoys being part of a warm and supportive community, we would love to hear from you.

Our school is committed to the safeguarding and welfare of children and young people and expects all staff and volunteers to share this commitment.
